

### Chess and Art

If you have thought you could never be an artist, chess proves you are wrong. Chess enables the artist hiding within you to come out. Your imagination will run wild with endless possibilities in the 64 squares. you will paint a picture in your mind of ideal positions and perfect outposts for your soldiers. As a chess artist you will have an original style and personality.

### Chess and psychology

Chess is a test of patience, nerves, will power and concentration. It enhances your ability to interact with other people. It tests your sportsmanship in a competitive environment.
